ASCI School of Management @ A Glance

It is one of the fastest emerging business schools in the country, set up by the Administrative Staff College of India, the country's first management institute founded in 1956. ASCI is recognised as the third oldest management institution in Asia. ASCI was setup by the Government of India in collaboration with Indian industry.

ASCI School of Management offers a two-year PGDM programme which is approved by AICTE and has been designed to meet the industry's expectations from budding managers of the next generation. Many new areas are covered in the programme including Business Analytics, Big Data, Artificial Intelligence, Innovation & Entrepreneurship.

- Excellent placements record & strong alumni network
- AICTE approved 2-year programme
- Member of AACSB International
- Collaboration with IMA for providing FMAA certifications
- 23 acres of spacious campus in the heart of Hyderabad
- The programme has great emphasis and focus on use of Artificial Intelligence and Business Analytics for taking managerial decisions
- Wide range of specializations like Human Resource Management, Marketing Management, Financial Management, and AI & Business Analytics with a vertical of Energy Management and Sports Management
- The programme is delivered by the best faculty of ASCI who have shaped top management executives in many PSUs, Government / Private Sector and International Organizations
- The programme aims to provide global exposure to students
